Fred -- I think the documentation of the amounts in the settlement agreement -- which are addressed in the notice/motion/order -- should be sufficient, if the EPA would prefer not filing a claim at this time.

I'll let you know if anything comes up that would change that analysis.

Thank you, Justin. Is it still necessary for us to file an Admin Expense claim or is the Estate's assertion of it sufficient?

Ted, Fred, & Stephen (& Shawn),

FYI -- Attached is our Settlement Motion/Notice/Order, which Judge Brown has signed and will become effective immediately if no objections are received by Feb. 28.

I add 3 days for mailing to be safe/conservative, which would mean the order will definitely be effective on March 4 if no objections are filed by March 3.

I'll keep you posted. We do not expect any objections...

Regards,

Justin
